PROFESSIONAL EXPERIENCE

Dean
Touro University Berlin
since 2024 Berlin

- Leadership of three master's programmes: Master in Business Administration, Master of Arts in General Psychology and Master of Science in Data Analytics.
- Staff management and recruitment; development of curricula and examination regulations, including submission to the Senate.
- Conducted the ACBSP accreditation process; chaired the Institutional Review Board (ethics committee) and headed the Academic Integrity Office.
- Teaching, research, grant acquisition and student supervision.

2023: Program Chair, M.A. General Psychology.

Postdoctoral Researcher
Ludwig Maximilian University of Munich
2024–2025 Munich

Research within DFG Priority Programme SPP 2134 *The Active Self*.

Independent Hardware and Software Consultant
Möller Consulting
since 2023 Berlin

Founder and owner of Möller Consulting; consulting on software, hardware and embedded systems.

Psychotherapist in Training
Bundeswehr Hospital Berlin
2023–2024 Berlin

Psychological assessment and individual and group psychotherapy for military personnel.

Visiting Researcher
Charité – Universitätsmedizin Berlin
2022–2023 Berlin

UNIVERSITY TEACHING

Touro University Berlin since 2022
Berlin

Psychology of Motivation; Clinical Psychology; Neuropsychology; Historical and Philosophical Foundations of Psychology; Management in the New Millennium – Focus on AI; Introduction to Psychology; Intro to Counseling and Psychotherapy; Thesis II; Senior Honors.

465 teaching sessions in total, including 240 at Touro University; further teaching on page 2.

RESEARCH PROFILE

Psychophysiology
ECG, EEG/SSVEP, interoception and sensorimotor processing

Psychiatry & Psychotherapy
Schizophrenia, borderline personality disorder, self-disorders, PTSD and trauma

Computational Modelling
Predictive coding and Bayesian modelling

CORE COMPETENCIES

Academic Leadership & Governance
Strategic Programme Development
Accreditation & Quality Assurance
Staff Leadership & Recruitment
Budget & Resource Management
Grant Acquisition
Research Leadership
Interdisciplinary Collaboration

METHODS

Psychophysiology · ECG
EEG / SSVEP · Interoception
Psychophysics · Virtual Reality
Eye-Tracking
Physiological Signal Processing
Prototype Development
Scientific Programming
Cognitive Behavioural Therapy

LANGUAGES

German
English
Dutch

EDUCATION AND TRAINING

Psychological Psychotherapist
IVB Institut für Verhaltenstherapie Berlin
2021–2026 Berlin

Completed professional training in adult cognitive behavioural therapy. Additional qualifications in group psychotherapy and relaxation techniques; further training in child and adolescent psychotherapy.

Doctorate in Psychology
Humboldt-Universität zu Berlin
2019–2024 Berlin

Bridging Minds and Machines: A Unified Approach to Understanding Self-Disorders through Computational Psychiatry, Neuroscience, and Robotics.

M.Sc. Neurocognitive Psychology
University of Oldenburg
2016–2019 Oldenburg

Master's thesis on sense of ownership and sense of agency in borderline personality disorder.

B.Sc. Psychology
TU Braunschweig
2013–2016 Braunschweig

Bachelor's thesis on emotional responses to images of people with and without amputations. Previously one semester of psychology at Maastricht University (2013; Maastricht, Netherlands).

FUNDING & PROJECTS

HeartRater:Clinical
University of Sussex | Wellcome Trust
2022–2027 Brighton, United Kingdom

Total project funding: **over EUR 1.7 million**. Responsible for the completed hardware CE marking process. Medical device development and patenting in progress.

Early Career Funds | SPP 2134
Ludwig Maximilian University of Munich
2024–2025 Munich

Funding: **EUR 28,000**.

Research Training Group 2386: Extrospection
DFG | Humboldt-Universität zu Berlin
2022–2023 Berlin

Functional Aspects of the Minimal Self – The Case of Schizophrenia
DFG-SPP 2134: The Active Self | HU Berlin
2019–2024 Berlin

Vittorio Gallese Lab, Berlin School of Mind and Brain.

TECHNICAL SKILLS

C/C++/C#	●●●●○
Python	●●●●○
MATLAB	●●●●○
EEGLAB	●●●○○
LaTeX	●●●●○
SPSS	●●●○○
R/RStudio	●●●○○
Photoshop/GIMP	●●●○○
CAD/Fusion 360	●●●○○

FURTHER TEACHING

IPU Berlin 2020–2025
Berlin
Psychobiology of mental disorders; scientific writing; settings in clinical psychology.

Deutsche Hochschule für Gesundheit und Sport
Berlin 2025
Advanced research methods and methodology.

Elbe-Weser-Werkstätten
Bremerhaven 2018–2020
Developmental psychology and developmental disorders.

CLINICAL INTERNSHIPS

bib Youth Counselling, Braunschweig; 2015–2016, approx. 240 hours.

Fundación Arco Iris, La Paz, Bolivia; psychological assessment, 2015, approx. 80 hours.

AWO Psychiatriezentrum Königslutter, Königslutter; open ward for schizophrenia; 2015, approx. 240 hours.

Psychiatrie Salzdahlumer Straße, Braunschweig; general psychiatry, 2014, approx. 340 hours.

ACADEMIC SERVICE

Ethics Committees, since 2021
HU and Touro University; Berlin. Review of ethics applications.

Peer Review, since 2021
Worldwide
RATE; Neuroscience of Consciousness; IEEE; Springer Nature; Psychiatry Research Communications.

Trainee Representative, since 2021
IVB; Berlin. Representing psychotherapy trainees and contributing to trainee selection.

SUPERVISION

24 Theses
14 bachelor's and 10 master's theses
2022–2026 | Touro University and IPU
Berlin

8 Internship and Research Projects
7 internships and 1 lab rotation
2022–2023 | IPU and BCAN/Charité
Berlin

EARLIER EXPERIENCE

R Shiny Development | TquanT
Glasgow, United Kingdom 2018
Teaching application; approx. 160 hours.

Research Assistant Roles
Oldenburg 2017–2018
ADHD neurofeedback, brain-computer interfaces and neuromodulation; approx. 440 hours.

Psychiatric Residential Care
Braunschweig 2014–2016
Student assistant, Arbeitskreis für psychosoziale Hilfen e.V.; approx. 1,200 hours.
